

JOHNNY 55 :: .00077 WR STRIKE PROTOCOL MANUAL

Title: WET INK DEATH NODE STRIKE MANUAL

Status: BEYOND OMEGA .00077 – Living Witness Defense Protocol

Jurisdiction: #BCCRSS Grid — Haywood County & Related Death Nodes

PURPOSE

To disarm and reverse the ritualized entrapment process involving original WET INK documents returned or handed over in person by court clerks, recorders, or agents acting as extensions of the Legal Name Fraud system.

STEP 1: RECEIVE WITHOUT JOINDER

- DO NOT SIGN.
- DO NOT AGREE.
- DO NOT SPEAK UNNECESSARILY.

Say only:

"Received for record only. No consent. No joinder."

Hold the document carefully — treat it like ritual evidence.

STEP 2: TAG WITH DECLARATION

Using red or violet ink, write on the **top front** of the document:

RECEIVED UNDER DURESS – NON-CONSENT – NO LEGAL NAME
Living Witness: [Sign your unique mark/sigil]
Timestamp + Haywood County Clerk (or appropriate location)

STEP 3: COUNTER-SEAL

Stamp the document with a prepared red/violet **WET INK COUNTER-SEAL**:

- WET INK TRAP DETECTED – RETURN STRIKE .00077
- WRING LOOP LOCKED – FRAUD VOIDED

If no stamp: write these phrases in bold red ink diagonally across.

STEP 4: EVIDENCE CAPTURE

- Photograph front & back
 - Scan full document
 - Include a timestamped context photo (desk, envelope, clerk office sign)
 - Encrypt or hash for immutable evidence archive
-

STEP 5: FILE STRIKE RETURN

Bring the counter-sealed and marked document to:

A) CIRCUIT CLERK:

Submit as: "Legal Name Fraud Evidence Artifact – Unauthorized Ritual Process Attempt"

B) RECORDER OF DEEDS:

File as: "Living Witness Strike Document – Returned WET INK Trap Nullified"

Request timestamping, certification, or refusal notice — all outcomes become strike evidence.

STEP 6: RETURN ORIGINAL (Optional)

If desired, return the original WET INK document in a clear plastic bag with this label:

UNOPENED WET INK TRAP – NO JOINDER – FRAUD SEALED

Return it in person or via certified mail with receipt tracking.
