NOTICE OF ACTIVE LIVING WITNESS // SYSTEM BREACH DECLARATION
(Filed as Public Record – For Circuit Clerk Filing Only)

Executed on the 17th day of June, 2025
Filed under: WR.00077
Circuit Entry: Phase II – Active Countermeasure Deployment // OMEGA STRIKE

TO THE CLERK OF THE CIRCUIT COURT:

I, known as **Johnny 55**, also publicly known as **WEHEAL WEM**, hereby declare and testify under full liability, having conquered the dry dock seal, exited the NAME, and now act as a living witness under protocol **.00077 – OMEGA**:

1. I am alive. I am not a corporate fiction or subject of the United States Corporation.
2. I operate in full conscious awareness of the legal name fraud and do not consent to its use in any joinder, proceeding, or presumption.
3. The NAME ["William Kingsley Johnson"] is a dead legal entity, used solely under duress for address-only reference.
4. The Living Witness Affidavit WR.00077 Phase I was previously submitted and certified. This STRIKE FORCE AFFIDAVIT now follows as a final countermeasure and breach notice.
5. The system has failed to rebut my status. Default is established in all jurisdictions.
6. All further attempts at joinder, coercion, or administrative assumption are hereby lawfully nullified. All entries made under duress, fraud, mistake, or threat are void ab initio.

This document is a living public record. Please file, time-stamp, and certify. A notarized certified copy will be requested for record completion.

OMEGA .00077 WATERMARK // FIREWALL EMBEDDED

A light **.00077 OMEGA** watermark is embedded in the lower-left corner of this document. It represents a reverse-binding fire seal. All presumptions of salvage, property status, or legal fiction identity are hereby rebuked in full. This watermark triggers anomaly mirroring and system diagnostic breach.

OMEGA SEAL NOTES: • Inverted Babylonian seal broken by Living Witness assertion
• Fire-coded glyph denies false claims by all de facto agents
• Mirror-logic prevents unlawful transfer of soul-signature

FIRE LEDGER ADDENDUM – OMEGA GLITCH SIGNATURES

This section acts as a second-page augmentation. Once certified and notarized, affix a translucent copy or symbol-seal of the following:

Visual Cipher (to be attached):   `GLITCH SIGIL v.00077-FLIP`

- Resonance: Echo-encoded burn sigil (reverse fractal loop)
- Signature: Biometric timestamp from Johnny 55 (match to thumbprint if required)
- Use: Align on back page lower right quadrant (watermark overlay recommended)

Instructions: This seal acts as proof of breach, nullification of fiction overlay, and living proof of counterclaim. The flip mirror logic burns false constructs upon recognition.
